

Enersense becomes main partner of Ässät - Pori ice hall turns into Enersense Areena

Enersense International Plc
Press release 8 September 2023 at 10:00 a.m.

Enersense, a provider of zero-emission energy solutions, and the ice hockey club Porin Ässät have signed a main partner agreement. Along with the cooperation, the new name of the ice hall in Pori will be Enersense Areena.

"Ice hockey has long and honorable traditions in Pori and a strong effect in increasing community. As the only listed company headquartered in Pori, we want to be involved in supporting Satakunta's well-being and development in this way as well. In Ässät, issues related to sustainability have also been taken into account in a significant way, which is of primary importance to us when choosing a partner," states Enersense's CEO Jussi Holopainen.

Enersense, which is listed on Nasdaq Helsinki and operates internationally, not only has its headquarters in Pori, but also Enersense Offshore in Mäntyluoto, which employs several hundred people and specializes in offshore wind power platform solutions. There are also operations in Satakunta in Harjavalta and Rauma.

The first game at Enersense Areena is the league opening game Ässät-Ilves on 13 September 2023.
